LOOK, THINK, CHOOSE

Worksheet 2 of 5

Tiny Garden Neighbors | Suggested ages 5-7

Name: _____ Date: _____

Read each question and all the choices. Circle one answer. A grown-up can read aloud; you can point or say your answer, too.

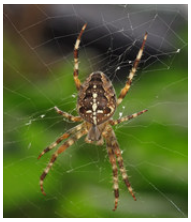

Print on US Letter at actual size, or choose Fit for A4. Use single-sided printing for activity cards. Black-and-white printing is suitable.

7. Which insect chirps by rubbing parts of its front wings together?

A. Earthworm

B. Spider

C. Cricket

Tell someone how you decided, or write a few words.

8. Which insect waits with spiny front legs folded and ready to grab?

A. Ant

B. Pill bug

C. Praying mantis

Tell someone how you decided, or write a few words.

Questions 9 to 10

9. Which small garden crustacean can curl into a little ball?

A. Millipede

B. Pill bug

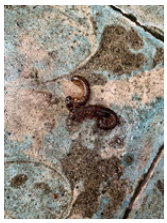

C. Grasshopper

Tell someone how you decided, or write a few words.

10. Which many-legged animal has two pairs of legs on most body segments?

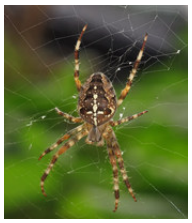

A. Centipede

B. Millipede

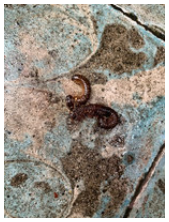

C. Spider

Tell someone how you decided, or write a few words.

Questions 11 to 12

11. Which many-legged hunter has one pair of legs on each body segment?

A. Millipede	B. Ant	C. Centipede
		

Tell someone how you decided, or write a few words.

12. Which slow garden animal carries a spiral shell on its back?

A. Slug	B. Earthworm	C. Snail
		

Tell someone how you decided, or write a few words.

ANSWER GUIDE

For the grown-up

Tiny Garden Neighbors | Suggested ages 5-7

Keep this page separate from the child's activity. Read directions aloud when helpful, and invite the child to explain their ideas.

7. C - Cricket

Male field crickets use their wings to make chirping calls.

8. C - Praying mantis

A praying mantis uses its front legs to catch food.

9. B - Pill bug

Pill bugs are crustaceans, not insects.

10. B - Millipede

Millipedes usually have two pairs of legs on each main segment.

11. C - Centipede

Centipedes have one pair of legs per trunk segment.

12. C - Snail

A land snail can pull its soft body into its shell.

Keep exploring

Choose a printable question set. Talk about how you found each answer, then make up one question together.
