LOOK, THINK, CHOOSE

Worksheet 3 of 5

Tiny Garden Neighbors | Suggested ages 5-7

Name: _____ Date: _____

Read each question and all the choices. Circle one answer. A grown-up can read aloud; you can point or say your answer, too.

Print on US Letter at actual size, or choose Fit for A4. Use single-sided printing for activity cards. Black-and-white printing is suitable.

13. Which soft garden animal glides like a snail but has no large outside shell?

A. Snail

B. Stag beetle

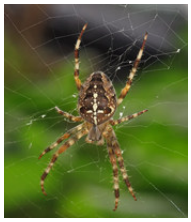

C. Slug

Tell someone how you decided, or write a few words.

14. Which pond visitor has four long wings and large eyes on its head?

A. Spider

B. Earthworm

C. Dragonfly

Tell someone how you decided, or write a few words.

Questions 15 to 16

15. Which pale-green moth has long tails on its back wings?

A. Luna moth

B. Ladybug

C. Cricket

Tell someone how you decided, or write a few words.

16. Which beetle can make its own little light near the end of its body?

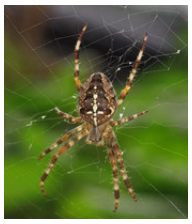

A. Firefly

B. Grasshopper

C. Spider

Tell someone how you decided, or write a few words.

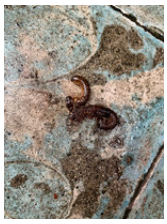

Questions 17 to 18

17. Which beetle's male has large jaws that look like antlers?

A. Stag beetle	B. Ladybug	C. Praying mantis
		

Tell someone how you decided, or write a few words.

18. Which legless garden animal wriggles through soil and helps break down old leaves?

A. Centipede	B. Snail	C. Earthworm
		

Tell someone how you decided, or write a few words.

ANSWER GUIDE

For the grown-up

Tiny Garden Neighbors | Suggested ages 5-7

Keep this page separate from the child's activity. Read directions aloud when helpful, and invite the child to explain their ideas.

13. C - Slug

Most slugs have no visible outer shell.

14. C - Dragonfly

Dragonflies are strong-flying insects that hunt other insects.

15. A - Luna moth

A luna moth has large green wings with long hindwing tails.

16. A - Firefly

Fireflies produce their own light using a chemical reaction.

17. A - Stag beetle

Male stag beetles have large antler-like jaws.

18. C - Earthworm

Earthworms mix soil and feed on decaying organic material.

Keep exploring

Choose a printable question set. Talk about how you found each answer, then make up one question together.
