LOOK, THINK, CHOOSE

Worksheet 5 of 5

How Do I Stay Safe? | Suggested ages 5-7

Name: _____ Date: _____

Read each question and all the choices. Circle one answer. A grown-up can read aloud; you can point or say your answer, too.

Print on US Letter at actual size, or choose Fit for A4. Use single-sided printing for activity cards.
Black-and-white printing is suitable.

25. Which hive-dwelling insect has workers that may sting to defend the colony?

A. Ladybug	B. Snail	C. Honeybee
		

Tell someone how you decided, or write a few words.

26. Which yellow-and-black paper-nest builder may sting when its nest is threatened?

A. Praying mantis	B. Wasp	C. Sea star
		

Tell someone how you decided, or write a few words.

Questions 27 to 28

27. Which insect can spread its wings and raise its grasping legs in a warning display?

A. Snail	B. Pill bug	C. Praying mantis
		

Tell someone how you decided, or write a few words.

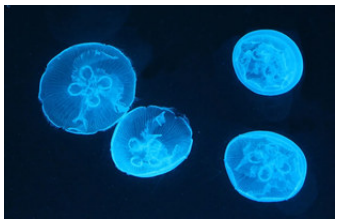

28. Which five-armed sea animal can grow back a lost arm?

A. Horse	B. Sea turtle	C. Sea star
		

Tell someone how you decided, or write a few words.

Questions 29 to 30

29. Which flat fish has a defensive spine on its long tail?

A. Pufferfish	B. Stingray	C. Moon jelly
		

Tell someone how you decided, or write a few words.

30. Which ocean reptile has a hard shell but cannot pull its head all the way inside?

A. Sea turtle	B. Horse	C. Octopus
		

Tell someone how you decided, or write a few words.

ANSWER GUIDE

For the grown-up

How Do I Stay Safe? | Suggested ages 5-7

Keep this page separate from the child's activity. Read directions aloud when helpful, and invite the child to explain their ideas.

25. C - Honeybee

Worker honeybees can use a sting for defense.

26. B - Wasp

Social wasps help defend their shared nest.

27. C - Praying mantis

A mantis may make itself look bigger to deter a threat.

28. C - Sea star

Many sea stars can regrow arms after an injury.

29. B - Stingray

A stingray's tail spine helps it defend itself.

30. A - Sea turtle

Sea turtles rely on a shell and swimming; they do not retract like many land turtles.

Keep exploring

Choose a printable question set. Talk about how you found each answer, then make up one question together.
