ANSWER GUIDE

For the grown-up

Doctors, Nurses, and Health Helpers | Suggested ages 5-7

Keep this page separate from the child's activity. Read directions aloud when helpful, and invite the child to explain their ideas.

15. B - Hand X-ray

An X-ray picture can show the bones inside a hand.

16. B - Medical receptionist

A medical receptionist welcomes patients and checks appointments.

17. A - Hospital

A hospital has places for people to receive medical care.

18. C - Hospital patient resting area

A hospital patient area has a bed for the patient to rest in.

19. B - Veterinarian

A veterinarian gives medical care to animals.

20. A - Hands

Medical gloves cover a health helper's hands.
