LOOK, THINK, CHOOSE

Worksheet 1 of 3

Builders and Repair Helpers | Suggested ages 5-7

Name: _____ Date: _____

Read each question and all the choices. Circle one answer. A grown-up can read aloud; you can point or say your answer, too.

Print on US Letter at actual size, or choose Fit for A4. Use single-sided printing for activity cards.
Black-and-white printing is suitable.

1. Why does a repair helper use this toolbox?

A. To water a garden	B. To carry tools together	C. To keep soup hot

Tell someone how you decided, or write a few words.

2. Why does a builder use this spirit level on a shelf?

A. To paint the shelf blue	B. To check that the shelf is level	C. To weigh the shelf

Tell someone how you decided, or write a few words.

Questions 3 to 4

A. Bakery	B. Animal shelter	C. Woodworking workshop
		

Tell someone how you decided, or write a few words.

ANSWER GUIDE

For the grown-up

Builders and Repair Helpers | Suggested ages 5-7

Keep this page separate from the child's activity. Read directions aloud when helpful, and invite the child to explain their ideas.

1. B - To carry tools together

A toolbox keeps tools together for carrying and storage.

2. B - To check that the shelf is level

The bubble helps a builder check whether a shelf is level.

3. C - Heating and cooling repairer

Heating and cooling repairers fix equipment such as air conditioners.

4. B - A plan for a building

A building plan shows where parts of a building will go.

5. A - Plumber repairing a pipe

A plumber repairs pipes that carry water.

6. A - The length of a board

A tape measure helps a builder measure length.

7. C - Woodworking workshop

A carpenter can make wooden furniture in a woodworking workshop.
