LOOK, THINK, CHOOSE

Worksheet 3 of 3

Builders and Repair Helpers | Suggested ages 5-7

Name: _____ Date: _____

Read each question and all the choices. Circle one answer. A grown-up can read aloud; you can point or say your answer, too.

Print on US Letter at actual size, or choose Fit for A4. Use single-sided printing for activity cards.
Black-and-white printing is suitable.

15. Which building part lets daylight into a room through a wall?

ANSWER GUIDE

For the grown-up

Builders and Repair Helpers | Suggested ages 5-7

Keep this page separate from the child's activity. Read directions aloud when helpful, and invite the child to explain their ideas.

15. C - Window

A window lets daylight pass through its glass.

16. B - Roof tile

A matching roof tile covers the missing space in a tiled roof.

17. A - Tile setter laying floor tiles

A tile setter lays tiles on floors and other surfaces.

18. A - Electrical wires

Electricians work on a building’s electrical wires.

19. B - A brick wall

A bricklayer places bricks in rows to build a wall.

20. A - Clamp

A clamp holds wood pieces in place while glue dries.
