Part 1

One quiet evening, Milo Moon Bunny hopped beside the silver grass. A tiny firefly named Flicker buzzed near him and softly asked for help.

Part 2

Flicker could not find the night-flower meadow where his family lived. Milo promised, ‘We will look together. You will not be alone.’

Part 3

Milo spotted a glowing, star-shaped petal beside a blue stone. Farther ahead, another star petal shone near three white daisies.

Part 4

They followed the little stars across the grass. At a fork in the path, the glowing petals stopped, and Flicker began to worry.

Part 5

Milo stayed calm and listened. Crickets chirped to the left, but a sweet flower smell floated from the path on the right.

Part 6

Flicker remembered that his home smelled like sweet night flowers. Milo and Flicker took the right path and climbed a small hill.

Part 7

Golden lights twinkled beyond the hill. Flicker’s family flew toward him, making the dark meadow glow like a jar of stars.

Part 8

Flicker thanked Milo for looking, listening, and remembering with him. Milo hopped home beneath the moon, happy that small clues had led to a big welcome.
