Part 1

Lulu buzzed into Leaf School and put her yellow satchel away. Teacher Beetle stood beside a new student. “Everyone, this is Dot,” she said.

Part 2

Dot gave a tiny wave. She did not know where to sit. The room felt big, and all the faces were new.

Part 3

Lulu remembered her own first day. She smiled and tapped the empty seat beside her. “You can sit with me,” Lulu said.

Part 4

During drawing time, Dot could not find an orange crayon. Lulu slid the crayon box between them. “We can share,” she said.

Part 5

Dot drew a round sun. Lulu drew two ladybugs beneath it. Their pictures touched in the middle, so they made one big picture together.

Part 6

At playtime, Dot stood near the climbing stem. Lulu called, “Come play Follow the Leaf with us!” Dot’s wings lifted with excitement.

Part 7

Dot followed Lulu around a flower and under a leaf. Soon Dot chose the next path, and Lulu happily followed her.

Part 8

At the end of the day, Dot said, “I was scared this morning. Now I have a friend.” Lulu’s six spots seemed to shine.
